amid fog a vast sea binds him He dives fishes and
aims a sage behemoth is found saved and then
heaves aside

He fashioned a massive sign above his edifie it
shows a vague image a nod to the massive fish he
had ambitions to have

she aims to behave amidst the massive fish as she
navigates a domain of sand vibes and songs

François-Marie Arouet French Enlightenment November 18
better known by the pen name Voltaire as a French Enlightenment
writer, historian and philosopher famous for his wit and for his advocacy
of civil liberties including freedom of religion, free trade and
separation of church and state. Voltaire as a prolific writer producing works
in almost every literary form including as poetry, novels, essays and
historical and scientific works. He wrote more than 11,000 letters and more
than 10,000 pages of manuscripts. He was an outspoken supporter of social reform
despite strict censorship and with harsh penalties for those who broke them.
As a satirist, he frequently made use of his works to criticize
contemporary religious dogma and the French institutions of his day.
Voltaire as one of several Enlightenment figures along with
Montesquieu, John Locke, Jean-Jacques Rousseau and Immanuel Kant whose
works and ideas influenced important thinkers of both the American
and French Revolutions.
